

SLIP IMPLEMENTATION CHECKLIST

This checklist is to be used as a guide by the school SLIP Committee. It acts as a guide to measure how well your school is implementing its School Learning Improvement Plan. For example, are you meeting your targets within the set time frame? If not, why?

The school SLIP Committee is expected to provide a SLIP Implementation Progressive Report on quarterly basis. The SLIP Checklist should be a useful tool to enable you to carry out your Internal Year Rolling Plan for the following year.

The school is encouraged to document their Achievement as part of the school growth.
